

HAI & the Denver FAAS Team presents:

Colorado Helicopter Safety Meeting

Attention Helicopter Pilots! Join us for the very latest information on the safety issues facing the rotorcraft industry, presented by experts in their field. A panel of experts from industry, Helicopter Association International (HAI), FAA Safety Team and Denver FSDO will discuss local and regional issues affecting helicopter pilots, accident trends, personal risk assessment, safety initiatives, career paths/opportunities and many more topics relevant to all pilots. This is an extraordinary gathering of the rotorcraft community in one place. Don't miss this unique opportunity to learn, share with your peers, ask questions and have your voice heard. What you learn can save your life!

Directions: This seminar is in the Pilot and Medical Crew Training Room on the 6th floor (south side of bldg.). The general location of the AMC Training Center is I-225 and Parker Road on north (opposite) side of Cherry Creek Reservoir and Park from Centennial Airport (APA). The AMC Training Center is located in the second office building to the east of the Red Lion Hotel, north side of Vaughn Way.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
